

Enjoy Camp

The educational and sport children's camps provider in Russia*

*According to KidsinCamp and Forbes Russia for 2024

Enjoy Camp Leadership

Alexander Medvedev: "In 2025, interest in our language, educational and sports programs is actively growing. Parents want the holidays to be not only a break from school, but also a useful vacation. A child can try new things, try on various future professions — from a director to an entrepreneur, from an engineer to a blogger"

- Founder and CEO of the Enjoy Camp. Founder and investor of Enjoy Robotics.
- Enjoy Camp — the largest network of private educational camps in Russia, in terms of both locations and educational programs offered.
- Enjoy Robotics — a developer and manufacturer of unique robotics kits.
